

SWISS STONE Presents

An exclusive dinner presentation of a revolutionary battery technology company.

Under the motto "Searching for new ways", Swiss Stone Investment cordially invite you to an exclusive evening event in an exclusive small circle of hand selected Investors at the fantastic Monaco Yacht Club.

Yacht Club de Monaco

**Tuesday, 05.04.2022, 18:30
Monaco Yacht Club, Monaco.**

Enjoy with us the exclusive ambience and cuisine of the first house of Monaco and look forward to meeting the team behind the technology company (Founder, CEO, CFO, COO and +), as one of very few selected international investors.

We, the Swiss Stone Investment, would like to offer you new perspectives and sustainable opportunities with this investment opportunity in a time of extreme change of markets / opportunities / risks.

The Future of Battery Tech.

A company developing next-generation battery technologies and digitising and automating the entire battery ecosystem.

Battery enhancing technologies that results in substantially increased lifespan, capacity, and reliability of batteries.

We welcome your participation and ask for RSVP per Email at:
